PROFILE

Always seeks to achieve a high standard of work, explores and accepts new ideas and skills and puts them into practice effectively. Having the creativity and skills to approach and handle the wants and needs of users flexibly. Looking for a job that helps develop myself and enhance my existing skills.

EDUCATION

Google UX Design Certificate

| August 2022 - February 2023

Completed seven courses, developed by Google, that include hands-on, practice-based assessments and are designed to prepare for introductory-level roles in UX design. Being able to complete the design process from beginning to end: empathizing with users, defining user pain points, coming up with ideas for design solutions, creating wireframes and prototypes, and testing designs to get feedback.

Banking Academy University

| October 2020 - Present

Currently studying in the third year majoring in Management Information Systems

EXPERIENCE

Sales Associate Local fashion store

| August 2022 - October 2022

Organize merchandise, present it to drive sales, and have visual appeal. Assess inventory and delivery needs, analyze and process returns, and assist customers in finding new products that match their needs
